3. Border Union Agricultural Society (BUAS) accept no responsibility for any conflict of interest between trade stands and / or the duplication of a similar type of stand.
4. No Exhibitor will be permitted to arrange a stand or place signs in such a manner as to obstruct or inconveniently affect the display of any other Exhibitor or access. Signs, guy ropes and flooring must not be allowed to project beyond the space allocated. Including tow bars. Infringements of this regulation will be dealt with by the Stewards, who are empowered to remove the cause of the offence or to have the stand rearranged at the expense of the Exhibitor.
5. All property, stock, machinery and implements of Exhibitors remain entirely at their risk whilst in the Showground.
6. The Society will not be responsible for any loss or accident that may occur.
7. Exhibitors must notify the Society before the show if they wish to demonstrate and / or operate machinery. In this circumstance they must provide the Society with a written risk assessment. The provision of such an assessment shall not imply any endorsement by the Society and the Society reserve the right to refuse permission to demonstrate and / or operate machinery.
8. All Trade Exhibitors at the Border Union must be covered by Public Liability Insurance. They must complete a Risk Assessment for their Stand. Copies of the Risk Assessment and Insurance paperwork must be submitted with the application and available for inspection on request.

  1. F Annex B: Regulations for the Preparation of Dogs for the exhibition. The Committee of the Kennel Club and of this Championship Show are concerned that an individual who purchases a product from a Trade Stand at a Kennel Club Licensed Show might assume, perhaps incorrectly, that the use of the Product would not contravene Kennel Club Regulations F Annex B.
